Calm River Goldens (the breeder) agrees:

1. Breeder guarantees that puppy has had proper care to date and has been checked by a veterinarian. Puppy has received its first shots and been de-wormed. Shot records will be furnished at the time of purchase. If puppy is being shipped, a copy of the shots & de-worm records will be shipped to the buyer.
2. If within one week of receiving the puppy and he/she is examined by a reputable veterinarian and the health of the puppy is found to be at serious risk due to a congenital defect (existing at birth), owner shall notify breeder and provide a written statement from a licensed vet describing puppy's condition and shall return the puppy and papers to the breeder within one week of the examination. Breeder will replace the puppy or refund the full price of the puppy provided puppy is in the same condition mentally and physically as when originally purchased. Breeder assumes no responsibility for veterinarian or shipping fees. Nor is the breeder responsible if puppy contracts a communicable disease after leaving breeder's possession.
3. ***24 Month Hip, Heart and Eye Guarantee:** Because canine hip dysplasia and so many other preventable illnesses are related to poor nutrition, we require that your precious puppy eat a quality dog food and remain at an appropriate weight.

Eyes: Breeder offers a 24-month guarantee on any puppy found to have congenital eye disease as diagnosed by a board certified veterinary ophthalmologist.

4. **Refund Policy:** Upon receipt of a letter to breeder from a reputable veterinarian stating that in his/her opinion this condition is congenital, puppy will be replaced by a puppy of equal value at breeder's convenience or we will refund up to 50% of the puppy purchase price to reimburse medical bills – buyer's choice. We reserve the right to have a second opinion from our veterinarian.
We also reserve the right to acquire DNA to determine the dog or puppy as one of our lineages.
5. Breeder does not guarantee color, size, championship, or temperament of any puppy.
